

INDIRECT QUESTIONS – KEY

Dragi osmaci, najčešće greške u domaćem zadatku su bile sledeće:

1. Red reči u rečenici:

U indirektnom pitanju red reči je ISTI KAO U OBAVEŠTAJNIM REČENICAMA.

Pročitajte još jednom predavanje od prošle nedelje i zapišite pravila.

2. **Uvodni glagol** (reporting verb) je u našim primerima morao biti u PREZENTU. Kada je uvodni glagol u prošlom vremenu, dolazi do promena koje ćemo objasniti u sledećoj lekciji.

Ovo su rešenja. Pažljivo ih pročitajte i ispravite sve greške u svesci. Nema potrebe da mi šaljete ispravak:

1 Paul asks me how I am.

2 He wants to know what I am doing.

3 He asks where I have been.

4 He asks if/whether I have any plans to go away again.

5 He wants to know if/whether Jane got his email.

6 He asks if/whether there is a bank near here.

7 He wants to know if/whether he can call me later.

Udžbenik: 73. Strana

VAŽNO: Kako ove nedelje radite probni završni ispit, nećete imati domaći zadatak iz engleskog ☺. Pratite sajt, nova lekcija će biti postavljena 27.4.2020.

P.S. Ko želi da vežba, može da uradi sledeće zadatke u Radnoj svesci:

str.54 – vežbanje br. 2; str.55 – vežbanje br. 3; str. 59 – vežbanje br.5.

Good luck, and Happy Easter!!
