

## Unit 4 – Language focus: Question tags

To su kratke upitne fraze koje se nalaze na kraju rečenice. Koristimo ih da proverimo tačnost informacije koju imamo, ili da postavimo pitanje. Ovo vam nije poznato od ranije, zar ne?

Materijal možeš da odštampaš, napišeš rešenja i kasnije zalepiš i svesku.
